

Output Device

```
graph LR; A(custom generator) --> B[Output Device]
```

A diagram illustrating a data flow process. On the left, a solid blue rectangle is labeled "Output Device" in white text. On the right, a light blue oval is labeled "custom generator" in white text. A black arrow points from the right side of the oval to the left side of the rectangle, indicating the direction of data flow from the generator to the output device.
